

William Y. Cooper Foundation

In 1999, the Cooper Foundation Board of Directors voted to create a special grant award to recognize one individual each year who best epitomized Bill Cooper's passion for skiing and riding and his enthusiasm for teaching. This special grant enables the awardee to attend a PSIA or AASI event of his or her choice with the Foundation paying the registration cost for the event.

Cooper Award winners do not apply for this award; they are selected by the Board. The Cooper Award is announced at the annual Cooper Dinner and Silent Auction.

Awardees include the following individuals:
